The UN Migration Agency

## Template for a Management Follow-up Response Matrix

<b>Evaluation title/year:</b> 2019				
Person or entity responsible for completing the management follow-up response matrix: <b>Jeremias Mendes, Project Manager</b>				
<b>Evaluation recommendation 1:</b> It is recommended that opportunities for meaningful participation of critical stakeholders such as migrants in the policy development process be created to ensure that their voice is heard, and their needs adequately addressed.				
<b>Recommendation to:</b> IOM and Government of Angola			Priority level (1 to 3): 1	
Management response (Accept/Partially Accept/Reject): <i>Accept</i>				
Key action	Time frame or deadline	Responsible individual or unit(s)	Implementation monitoring	
			Comments or action taken	Status
1.1. This recommendation will be taken serious and IOM will ensure that adequate consultation is carried out prior to project development.	<i>N/A</i>	<i>IOM .</i>	In the next project development process IOM will ensure that beneficiaries are duly consulted. In fact, this is now the practice in the mission.	<i>N/A</i>

<p><i>Use a new line for each specific action to be taken.</i></p>								
<p><b>Evaluation recommendation 2:</b> It is recommended that the project should ensure mechanism for communicating challenges to all stakeholders in a timely manner.</p>								
<p>Recommendation to: IOM</p>			<p>Priority level (1 to 3): 1</p>					
<p>Accept</p>								
<p>Key actions: the mission has been working to strengthen the communication mechanism to ensure that donor, government and other partners are aware of any potential challenge on the project</p>	<p>This is an ongoing process</p>	<p>IOM</p>	<table border="1"> <thead> <tr> <th colspan="2" data-bbox="878 871 1562 949">Implementation monitoring</th> </tr> </thead> <tbody> <tr> <td data-bbox="878 949 1154 1717"> <p>Action is being taken. The mission now engages with partners on a regular basis as a way to strengthen the communication mechanism to ensure that they are aware of the challenges that the project is facing (eg: early this year, the mission informed the donor that some activities would be delayed due to COVID 19 restriction)</p> </td> <td data-bbox="1154 949 1562 1717"> <p>Status  Ongoing</p> </td> </tr> </tbody> </table>		Implementation monitoring		<p>Action is being taken. The mission now engages with partners on a regular basis as a way to strengthen the communication mechanism to ensure that they are aware of the challenges that the project is facing (eg: early this year, the mission informed the donor that some activities would be delayed due to COVID 19 restriction)</p>	<p>Status  Ongoing</p>
Implementation monitoring								
<p>Action is being taken. The mission now engages with partners on a regular basis as a way to strengthen the communication mechanism to ensure that they are aware of the challenges that the project is facing (eg: early this year, the mission informed the donor that some activities would be delayed due to COVID 19 restriction)</p>	<p>Status  Ongoing</p>							
<p><b>Recommendation 3:</b> It is recommended to improve internal project monitoring for timely implementation of agreed project activities through establishing a system for structured and periodic project meetings between IOM and the government counterparts. This will ensure</p>								

that there is early identification of challenges and timely resolution of the same to ensure the project stays on course

Recommendation to: IOM

Priority level (1-3): 1

Accepted

Key actions: IOM	This is an	IOM	Implementation monitoring	
<p>has improved its process of monitoring project implementation and as a result most project are increasingly being implemented in a timely manner.</p>	<p>ongoing process</p>		<p>Action has been taken and implantation of project is well monitored. IOM has improved its process of monitoring project particularly now with the usage of the Results Monitoring system through PRIMA. Furthermore, regular coordination meetings are also held to ensure adequate monitoring of project activities.</p>	<p>Status Ongoing</p>

Recommendation 4: The evaluation recommends timely establishment and resourcing of the Migration Observatory to facilitate roll out and implementation of the policy.

International Organization for Migration (IOM)  
The UN Migration Agency

Recommendation to: Government of Angola		Priority level (1-3): 2	
Partially accepted as dependent on the Government			
Key actions: this recommendation is for the government; however, IOM will support in the best way possible to see its implementation	N/A	Government of Angola	Implementation monitoring
			<p>The government of Angola has started the process for the creation of the observatory as part of their commitment to improve their capacity to manage migration</p> <p>Status Ongoing</p>
Recommendation 5: It is recommended that the implementation strategy should be focused on addressing key issues with the short, medium and long term be developed as an integral annex of the policy document during the policy development process.			
Recommendation to: Government of Angola		Priority level (1-3): 2	
Partially accepted as dependent on the Government			
		IOM	Implementation monitoring

International Organization for Migration (IOM)

The UN Migration Agency

<p>Key actions: IOM has approached the government about supporting them to develop an action plan for the policy but still waiting for their decision</p>	<p>This is an ongoing process</p>		<p>IOM is still awaiting Government final feedback to move with the preparation of the strategy</p>	<p>Status Ongoing</p>
